

# Here's what's being said about Continuing Healthcare of Boardman...

**“** *I have never received the care before that I received here! Your staff is so caring and happy they put a smile on my face daily. So many of your nurses, aides, therapists, including Vicki who cleans the rooms, are professional and personable. Your administrator, Melissa, came by often to see how I was doing. She has even brought my meal to me on occasion. If I ever need long-term care, this is where I want to come.* **”**
