

Here's what's being said about Continuing Healthcare of Boardman...

“ I want to thank every single staff member for their contribution to my recovery. At Continuing Healthcare of Boardman I became healthier from good nutrition, good attitudes, skilled physical therapy and nursing, encouragement and love.

To the Physical Therapy team - Neil, Jamie, Katie, Blair, Penny, and Linda O' Brien... I just say 'Thank you so much!' I feel like Missy and her whole team are a wonderful new part of my family! ”

- Ann Marie Morley
