

Continuing Healthcare at Willow Haven

Skilled Nursing and Rehabilitation

Caring with Integrity

I chose Continuing Healthcare at Willow Haven due to being here in the past short-term. I now live here long-term. I love all the staff and they treat me great!

I participate in all the activities and love getting my picture taken. I really enjoy writing to my Pen-Pal Jenna, and receiving letters and cards from her. We have a lot in common. I also have a Pen-Pal Addison, she is in the 8th grade and she is raising a goat and sends me cute pictures of it. I cannot wait to meet them both in person.
